

Fleetguard Cummins Lube filter - LF14000NN

Product Name: Lube filter

Manufacturer: Fleetguard Cummins

Our Part Number: V52 LF14000NN

Manufacturer Number: LF14000NN

Package Quantity: 1

Unit Of Measure: EA

Cross Reference: FRL 42033721, Q88 BD7154, U30 PH8691, V52 LF9001, V52 LF9080

This is an upgraded version of the LF9080. With 100 percent synthetic NanoNet media that is engineered to last, Fleetguard filters become the superior choice, especially in challenging environments.

- Structural integrity and design allows for maximum dust holding capacity
- The LF14000NN holds between 11 to 24 grams more contaminants than competitors
- Dust Holding Capacity of 100g, 99% efficient at 30 micron and 72% efficient at 10 micron
- Largest OD 120.3 mm (4.736 inch)
- Standpipe No
- Thread Class 7H
- Overall Height 294.69 mm (11.602 inch)
- Thread Form Metric
- BPV Setting No
- Gasket OD 120.3 mm (4.736 inch)
- Thread Pitch 2.5 mm (.098 inch)
- Thread Diameter 95 mm (3.74 inch)
